

REMARKS

The addition of claim 30 is taken more completely to define the subject matter which Applicant regards as his invention. Claim 30 contains recitations corresponding to recitations in claims 28 and 29, but is dependent on a different claim. In view of the deletion of claim 25, no excess claim fees are required with the addition of claim 30.

An early and favorable reconsideration of the application as amended is again respectfully requested.

Respectfully submitted,

---
